The mission of NAPM Binghamton, Inc., an affiliate of the Institute of Supply Management, is to advance the purchasing profession through education and fellowship, and to improve the perception of purchasing in the community by promoting the highest professional standards.

PROFESSIONAL DEVELOPMENT

Most Satellite seminars presented by ISM are purchased by your local NAPM Binghamton Affiliate and are available to borrow. This allows the flexibility of viewing when it is convenient. If there is enough interest in a particular seminar we can arrange a viewing at United Health Services with dinner included at no cost for members. CPSM and C.P.M. re-certification points are earned by viewing the seminars with a NAPM Board member but no points are given for private viewings.

Please contact Joe Greco at jjgrec5@hotmail.com if you wish to arrange a loan and viewing. Joe maintains a library of text books, tapes, and DVDs for you to borrow.

ISM New York/New Jersey Forum Conference 2010

"Prepare to Grow"

November 5-6, 2010

The Queensbury Hotel
Glens Falls, New York

**REGISTRATION DEADLINE IS OCTOBER 25th
TEAM DISCOUNT DEADLINE IS OCTOBER 15th**

ISM NY/NJ Forum is part of the Institute for Supply Management (ISM), a national organization for Supply Chain Professionals located in Tempe, AZ. The Forum consists of the eleven ISM affiliates located in New York and New Jersey. Our mission is to assist in our members development and professional networking so that they may add value in the Supply Management and Purchasing professions as well as those areas within their companies.

We do this by providing professional development, leadership training programs, and face to face networking opportunities on a regional basis.

Our 10th annual conference will be held November 5th & 6th, 2010 in Glens Falls, New York at the Queensbury Hotel. This year's conference theme will be "Prepare to Grow". We will offer two professional tracks. The topics are chosen, planned and developed from the input of our forum membership and attendees at previous conferences. Our goal is to provide each person attending the conference with information and knowledge that they can use to help them achieve success today's highly competitive and fragile business environments. We have engaged top quality speakers and are providing this to our members at a very affordable cost. We believe that keeping the cost to a minimum will allow a greater number of participants to attend this dynamic weekend of Professional Development. This is an excellent opportunity for meaningful networking with your peers from across the region and a chance to make new friends while renewing the old ones.

PRESIDENT'S MESSAGE:

Our next dinner meeting promises to be an important topic to all – Broome County state of affairs presented by Vikki Collazo of the Greater Binghamton Chamber of Commerce. We welcome Vikki and the APIC group, who is also invited to our joint dinner meeting. The dinner will be held at Grande on Front Street with good food, in a nice restaurant. Please let us know that you plan to attend.

Many thanks to Denise Rogers and the Alpha Beta Gamma for their participation in the highway clean up on September 25. Their efforts are appreciated, and show every day that you travel Front Street near Broome Community College.

It's not too late to sign up for the early bird discount for the New York New Jersey Forum in Glens Falls November 5th and 6th.

See you soon,
Rhonda
