

Mom's House[®]

Thank you for your generous donation
of \$ 46.00 to Mom's House on 12/17/09.

We appreciate your support of the single-parents in our
program who are working to complete their education.

Your generosity is enabling two generations of young people
to succeed in life and pursue a brighter future.

*This card serves as your tax receipt.
No goods or services were provided in consideration of this donation.*

Mom's House®

Mom's House is a non-profit, licensed child care center for the children of low-income single parents who are enrolled in school full-time.

Infants, toddlers and preschool children receive free quality care and early education in a loving environment while their single parents attend classes.

We also provide the parents with workshops in areas such as child development, nutrition, CPR, and life skills; as well as tutoring if needed.

Mom's House is a place where single parents and their children receive support, practical help, encouragement and love.
